

# Hughes Civic Assembly

## Final Report

4 May 2025

*The Assembly's recommendations are divided into three types:*

- **Concepts:** *high level ideas, values, or proposals*
- **Major Uses:** *specific site uses, activities, or services*
- **Minor Elements:** *small features, attributes, or details*

*Each individual recommendation below has achieved supermajority (75%) support of the Civic Assembly. Within each type, recommendations are listed in order of support from the Assembly.*

*Sub-bullets below each recommendation list specifications, constraints, needs, or other details.*

*All language in this report, except titles and italicized text, was drafted by the Civic Assembly, with no editing of any kind by process or City staff.*
