DEMOCRACY

Oregon needs your voice. Yes, yours.

Healthy Democracy
5100 SW Macadam Ave, Ste 360
Portland, OR 97239

You are invited to be a part of a unique experiment in democracy: a randomly selected panel of 40 Oregonians, who will **provide advice to state lawmakers on COVID-19 recovery.**

The panel will meet online for six 2-hour sessions, starting in July. It will be representative of the public, like a miniature version of the state in one online "room." *That's why it needs you!*

If selected, you'll receive a \$300 stipend, plus one-on-one tech support & training.

Please reply by June 8.
